FrontRunners April 2015: Texas Three Step

Becca Hensley

APRIL 01, 2015

Proving that everything is bigger in Texas, the new 34-story **JW Marriott Austin** (jwmarriottaustin.com) opened in February as the luxury brand's largest North American hotel, towering over nearly an entire block of the capital city's fast-growing downtown area. The 1,012-room property offers appropriately bold amenities, including a food truck-style restaurant and a sweeping rooftop pool terrace with views of Lady Bird Lake and the State Capitol. Nearby, in the bucolic Hill Country just west of the city, the **Lake Austin Spa Resort** (lakeaustin.com) has debuted 10 renovated garden suites. Completed in October, the new-look accommodations at the lakeside retreat feature 12-foot-high wooden ceilings, opulent fabrics, and custom-made furnishings. **The Inn at Dos Brisas** (dosbrisas.com)—a Relais & Châteaux resort set on a 313-acre ranch between Austin and Houston—will soon debut a new design of its own. In July, the property will begin renovations of its four casitas.
